Re: Sensient Colors Inc. v. Abby F. Kohnstamm et al.
07 Civ 7846 (LAP)

Dear Judge Preska:

This firm represents the Plaintiff, Sensient Colors Inc., in the above referenced matter. We write pursuant to Your Honor's individual practice rules to request permission to file a 35-page memorandum of law in opposition to Defendants' Motion to Dismiss the Amended Complaint.

On September 26, 2007, Plaintiff filed a Nine-Count Amended Complaint against Defendants alleging that Defendants are liable for the environmental contamination of certain property located in Camden, New Jersey. On October 22, 2007, Defendants filed a Motion to Dismiss the Amended Complaint attacking all Nine-Counts contained therein. Because Plaintiff must address a number of choice of law issues in its response and because this case concerns, in part, a complex corporate transaction we believe must be described in detail, the 20-page limit imposed is insufficient for Plaintiff to adequately respond. Accordingly, we respectfully request permission to file a 35-page memorandum of law in opposition. Counsel for Defendants have consented to our request, and we have consented to their request to file a reply exceeding the 10-page limit by a reasonable number of pages in order to respond to the issues raised in opposition.

Counsel are reminded that memoranda should be in twelve-point type, both text and footnotes with minimal margins.

SO ORDERED

We respectfully request that the stipulation be So-Ordered by the Court.

Very truly yours,
